America's Funniest Home Videos

21 July to 15 December | Sunday 2030-2130 | 22 Episodes

Hosted by Alfonso Ribeiro, “America’s Funniest Home Videos” is the longest-running, primetime entertainment show in the history of ABC. Each week, the “AFV” team evaluates thousands of user-submitted home videos to showcase America’s real-life funny moments captured on video.

“AFV” offers weekly cash prizes to the funniest or most unique videos submitted by families from across the nation. For the first time in its history, “AFV” is increasing the weekly prize amounts in season 33, doubling the first-place cash prize to \$20,000, second place to \$6,000, and third place to \$4,000.

The first-place prize winners will move on to the next competition round where they’ll vie for a \$100,000 prize. In its 33 seasons and more than 700 episodes to date, “AFV” has given away over \$17 million in prize money and evaluated over 2 million video clips from home viewers.

MasterChef Australia (XV)

30 July to 23 December | Monday to Wednesday 2030-2130 | 63 Episodes

Season 15 of **MasterChef Australia** turns up the heat to serve up jaw-dropping dishes and a feast of flavours as the race commences for the title of MasterChef Australia 2023.

At the helm, **Judges Jock Zonfrillo, Andy Allen and Melissa Leong** welcome a brand-new bunch of hopefuls, who will also be inspired by visiting world-class guest chefs. A who's who of the Australian food scene alongside international guest chefs will showcase their incredible skill as they challenge and teach.

The competition wastes no time cranking up, with the one and only Jamie Oliver arriving on day one to kick-start the series, guiding the contestants through two very special episodes. Right from the get-go, there is a game-changing advantage up for grabs that will alter the path of the competition for one cook.

With only 18 coveted aprons on offer this year for the nation's most passionate amateur cooks, there is a lot on the line. The challenges are designed to push them to their limits and they're determined to leave nothing on the table as they learn and grow as cooks.

MasterChef Australia is Australia's most successful cooking competition. In 2022, the series took home the Most Popular Reality Program award at the TV Week Logie Awards, and more recently, was awarded its sixth AACTA Award for Best Reality Program, cementing its status as a much-loved Aussie icon. With the title of MasterChef Australia 2023 up for grabs, as well as \$250,000 in prize money, just who will have what it takes to win?
